Minutes
City of Irrigon Council Meeting
May 21, 2024 – 6:00 PM
Irrigon City Hall – 500 NE Main Ave
Irrigon, OR 97844

- **Call to order/Pledge/Roll Call**

Mayor Michelle Patton called the meeting to order at 6:00 PM and led in the Pledge of Allegiance.

Councilors present: Mayor Michelle Patton, Mayor Pro-Tem Benji Calvert, Hector Cano, Heather Bishop, Daren Strong, Melvin Lambert and Marlina Avila Serratos.

Staff present: City Manager Aaron Palmquist and City Clerk Trista Seastone

Audience present: None

- **Mayor's Comments**

Mayor Michelle Patton wanted to address numerous social media posts questioning the sirens from fire trucks and police. She went on to explain that these were part of small parades that the community participates in to send our local youth off to various sporting events. This year has proven to be a very successful year for our school sports teams, from baseball to tennis, the youth have excelled, and the participation of the residents has been overwhelmingly positive and appreciated by school staff, coaches, families, and youth. The mayor gave dates for the class of 2024 graduating students and a schedule of events leading up to the ceremony. She encouraged residents to continue to cheer on the hardworking students in our community.

Mayor Patton stated that Nelson Construction is nearing completion of the sidewalk project that has been happening along Hwy 730. Patton paid compliment to the construction crew and that the sidewalks look amazing and are a great addition to the city landscape.

The mayor wanted to address a post she made on social media regarding the recent changes in the ambulance service for Irrigon. There seems to be a misunderstanding leading local resident to believe that Irrigon no longer has an ambulance located in town. While there have been ongoing negotiations between Morrow County Health District, Boardman Rural Fire District, and Morrow County Board of Commissioners regarding the Ambulance Service Area (ASA), there is an ambulance staged in the City of Irrigon. There is a house rented for paramedics/EMT's that staff the ambulance, ensuring staff can be close during scheduled shifts. Michelle also said that she has met most of the paramedics and they are very kind and caring people. If residents have a chance to say hello and get to know them they should. Patton went on to remind residents of Irrigon that the political issues regarding the ASA aren't issues that should be blamed on or taken out on those that are here to provide a service to the community.

1. Public comment-

There was no public comment.

2. *Consent Agenda (The Consent Agenda allows the council to approve all items together without discussion or individual motions. A councilor can request an item be removed for discussion.)

- a. Approval of Minutes – May 21, 2024
- b. City Managers Report and Staff Updates
- c. Accounts Payable
- d. Law Enforcement
- e. Municipal Court
- f. Correspondence

City Councilor Melvin Lambert moved to approve and accept the Consent Agenda as presented.

City Councilor Marlina Avila Serratos seconded the motion.

There was no discussion.

Motion passed unanimously.

3. *Quote for paving SE Greenwood Ave by Granite

The City of Irrigon put out for three (3) bids to pave the road located at SE Greenwood paved. The city received one eligible quote out of three. American Rock – did not submit, and Morrow County Public Works was unable to bid as they are in their current budget year. Granite Construction came in at \$105,693.00. This will include all the prep work including leveling, compacting, etc. for paving the road. The city has used Granite for several years on various projects and they have consistently produced good work. Funding for this project will come from saved revenue from user fee charges. There will be no tax dollars used on this project.

City Councilor Daren Strong moved to accept the paving quote from Granite Construction, Inc. in the amount of \$105,693.00 as presented.

Councilor Benji Calvert seconded the motion.

Councilor Heather Bishop asked why the city has been unable to get more quotes from companies on projects that have come before the council. Bishop stated that it seemed like the past few projects there has not been any bidding from contractors. Staff reported to Bishop that numerous cities were having this issue, and it is a lot to do with large corporations like Amazon taking a lot of the contractors and providing them with long term projects. Councilor Calvert also stated that supply and demand is still an issue with many contractors across states.

There was no further discussion.

Motion passed unanimously.

4. ***Resolution 24-03 "2024" Wage Table Update**

The City Council was provided with a copy of the Wage Table Update in the council packets for review. The Wage Table Update is periodically presented to the council to ensure that the city staff wages are kept in line with the NW Regional Consumer Price Index (NW-CPI). Inflation continues and is reflected in the update; however, it is not as high as previous years, but is projected to rise through the rest of the year.

The increase in the presented Resolution 24-03 does reflect a 3.3% percent increase according to the NW-CPI as reflected in January 2024, has been figured into next fiscal year's budget and is recommended for approval by the annual budget committee.

City Councilor Benji Calvert moved to adopt Resolution 24-03 updating the City's wage table as noted and continue to follow the City Council action of using the January NW-CPI as approved by the budget committee and presented.

Councilor Melvin Lambert seconded the motion.

Councilor Heather Bishop asked a question regarding the wage table worksheet that was put in the council packet. Staff explained the worksheet showed the step process in which employees would potentially be hired on depending on their experience.

There was no further discussion.

Motion passed unanimously.

5. **Public Hearing 2024-2025 Budget and Receiving State Revenues per ORS 221.770**

State Revenue Sharing Law, ORS 221.770, mandates public hearings be held by the city council, giving citizens an opportunity to comment on State Revenue Sharing.

Oregon Budget Law, ORS 294.453, requires a public hearing be conducted to receive testimony from any person present regarding the budget that was approved by the budget committee.

Mayor Michelle Patton opened the public hearing at 6:22 PM.

There was no public comment.

Mayor Patton closed the public hearing at 6:22 PM.

6. ***Resolution 24-05 City to Receive State Revenues**

It is an annual requirement by the State of Oregon if any city is to receive state revenue sharing. Upon adoption of Resolution 24-05, it will be forwarded to the Secretary of State.

City Councilor Heather Bishop moved to adopt Resolution 24-05 as presented, electing to receive state revenues.

Councilor Benji Calvert seconded the motion.

Councilor Bishop asked what fund the State Revenue money goes into. Staff informed the council it is to go into the General Fund-unspecified.

There was no further discussion.

Motion passed unanimously.

7. *Resolution 24-06 Adopting FY 2024-2025 Budget and Imposing Tax

According to State Budget Law, it is a requirement for the city to adopt its annual budget. With this resolution all appropriations, imposing and categorizing of taxes will be adopted for the 2024-25 Fiscal Year. The budget has been properly published, with applicable public hearings and the Budget Committee has met and recommended approval to the City Council for adoption as presented.

Councilor Melvin Lambert moved to adopt Resolution 24-06 as presented in adopting the Fiscal Year 2025 Budget making appropriations and imposing taxes.

Councilor Daren Strong seconded the motion.

There was no discussion.

Motion passed unanimously.

8. Items for Future Council Meetings

- FY 2024 Audit Engagement Letter – June 2024
- SCA Grant – Sidewalk Project NE Main Ave. – June 2024
- Food Pod Loan with UEC – June 2024
- CREZ III IGA (POM and MC) – June 2024
- Ordinance 260-23 “Camping and Homelessness” – TBD
- Lexipol Policies Ord-259-23 – TBD
- Boards and Commissions (Irrigon Code) TBD
- Public Contracting & Purchasing Policy – TBD

City Councilor Melvin Lambert adjourned the meeting at 6:31 PM

Next Regular Meeting Date – June 18, 2024

SIGNED:

Michelle Patton, Mayor

ATTEST:

Aaron Palmquist, City Manager

City Manager Report 6-18-2024

At the time of this writing, school is almost over for the season. Summer season is here with several activities planned, family vacations, and our youth out and enjoying their break. The summer heat has also increased fire safety. Please pass the word around, remembering to have safety awareness regarding fires and have the youth out and about in our community.

During June, both Irrigon and Boardman begin Music in the Park concerts. Irrigon's first event will be held on Monday, June 24th hosting Shamrock and Sage between 7:00 pm – 8:00 pm. The concerts rotate between Irrigon and Boardman every other week through August 19th. A copy of the schedule and events is in place under the correspondence area of the packet.

In May Irrigon Junior/Senior High added vaulting and equipment storage facilities to the track and field program. A copy of the thank you card is included for the council's review. This opportunity was funded by CREZ dollars dedicated to the Irrigon schools each year as CREZ funds may be awarded.

We are working with UEC on available funding options for the Irrigon Food Pod. The plan is to have information available for the July council meeting.

Farmers Market has begun with a variety of items and vendors. Please drop by each Tuesday evening and check out our local vendors and the items they sell. Additionally, there will be two Family fun night activities for the whole family. Let's make these big so we can see an increase in family interactions.

Court/Law Enforcement

Law enforcement continues to stay engaged and busy regarding various items and traffic situations. Monthly reports are provided in the packet.

The municipal court held the first property abatement hearing with Judge Creasing giving the property owner 30 days to have items corrected as stated in the code. This was a positive step forward as this property has had numerous violations and calls for law enforcement assistance.

It has been a busy couple of months for Karma, our Code Enforcement Officer, on communicating and working with properties regarding cleaning up their respective areas and becoming compliant with the Irrigon Municipal Code. With each interaction, she has been advocating properties to take advantage of the Property Enhancement Grant. We have begun to see grant applications increase. Please continue to share the word about this great opportunity to beautify Irrigon.

Public Works (PW)

The Hwy 730 Sidewalk Project is scheduled to be completed by the end of June. This week the contractor, Nelson Construction, will be finalizing paving with re-stripping taking place once that portion is complete. The city continues to receive numerous positive comments regarding this improvement to the City of Irrigon.

Public Works will have street striping take place over the next 30 days. This will provide improved clarity and safety to various busy roadways.

The Safe Routes to Schools (SRTS) sidewalk project held the required pre-construction meeting with the contractor mobilizing equipment and staging for work to begin. According to their schedule, the project should be completed before school starts in the fall. There is a 45-day schedule and the contractor, D and D Concrete, says they are ready to move in and we will begin to see activity the week of June 17th.

Beautification is taking shape around city hall with the hanging flower baskets and landscaping being cleaned and spruced up around city hall. A big thanks to the Morrow County Corrections for their assistance to jump-start this major process. Once completed the bedded areas will be close to the layout at the city parking lot. Installation of

new items will make it easier to maintain and keep costs to a minimum while improving city hall presentation.

The Splash Park grant application presentation is moving forward. Ducote Consulting is assisting with this project. Our hopes and anticipations are strong and the State Parks Department has assisted us in making our application to the review committee stronger. This one-million request is estimated to have CREZ resources of around \$250,000 match for a total estimated project of 1,250,000.00. Following the project's completion, it will be a great asset for the community.

The annual ODOT SCA Grant, (Small City Allotment), resolution is listed in this month's packet. We have been advised to move away from seeking dollars for paving and concentrate more on sidewalks, bike lanes, or multi-use paths to strengthen opportunities for successfully receiving the grant. This year we will begin requesting grant dollars to install sidewalks along the south side of NE Main from city hall to AC Houghton School. Once received and installed we will evaluate the roadway and look for ways to improve the travel width and use of the roadway.

Financial/Administration

Packets are placed online if the public desires a copy they can print out the full packet or separate pages as desired. If a hard copy is requested it must be done through the public records request process and this has charges associated.

Tonight, in the packet is the annual audit engagement letter. At the close of this fiscal year, we anticipate a good and timely review. Recently the State of Oregon requested some modifications to reporting, of which we will have the adjustments made. These will be very minor and will not change any figures just edits to reporting language.

Staffing is full at the front counter with adjustments continuing to be made and learned for improved customer service.

Those participating by Zoom are requested to speak up and speak slower so that those with hearing challenges and out on Zoom can follow along better. When signing in by Zoom rename yourself by clicking on the three little dots in the upper right-hand corner of the Zoom screen. To speak by Zoom name, address, and topic/questions to the City Clerk by 4:30pm the day of the council meeting so that the council and staff can be able and have information available at the meeting.

Anyone from the public needing assistance or questions contact City Hall. For councilors, contact me directly and we will provide the requested information on time. It is always best to ask questions and gather information from all perspectives. Staff and I thank you for your continued support.

Sincerely,

Aaron Palmquist, City Manager

13 May 2024

Dear Mr. Palmquist,

Thank you so much for your & the City of Irrigon's support of our track program. The new pole vault mats are amazing and really showcase our Knights Ride. Our state-bound vaulters & the rest of our vaulting team look forward to using the new mats next season.

Regards,
Coach Solis

thank
you

MEMORANDUM

To: City Council
From: Aaron Palmquist, City Manager ^{AP}
Date: June 18, 2024
RE: Annual Audit Engagement Agreement #3

This item is an annual requirement that lays out the requirements and process of which is to take place for the 2024/24 audit. The charge is budgeted and adopted in the FY25 budget.

Staff recommends the signing of this agreement and moving forward with our annual audit process.

Audit Engagement Letter

May 24, 2024

City of Irrigon
500 NE Main Avenue
P.O. Box 428
Irrigon, OR 97844

I am pleased to confirm my understanding of the services I am to provide the City of Irrigon (the City) for the year ended June 30, 2024.

Audit Scope and Objectives

I will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the disclosures, which collectively comprise the basic financial statements of the City as of and for the year ended June 30, 2024. Accounting standards generally accepted in the United States of America (GAAP) provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of the engagement, I will apply certain limited procedures to the City's RSI in accordance with auditing standards generally accepted in the United States of America (GAAS). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I will not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by GAAP and will be subjected to certain limited procedures, but will not be audited

- Management's Discussion and Analysis.
- Pension liability information and other post-employment benefit liability information

I will subject the following RSI to the auditing procedures applied in my audit of the basic financial statements and will provide an opinion on it in relation to the basic financial statements:

- Budgetary comparison information for the General Fund and each major special revenue fund.

I have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. I will subject the following supplementary information to the auditing procedures applied in my audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and I will provide an opinion on it in relation to the financial statements as a whole, in a separate written report accompanying my auditor's report on the financial statements:

- Combining fund financial statements
- Comparative proprietary fund statements
- Budgetary comparison information not included as RSI

The objectives of my audit is to obtain reasonable assurance as to whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; issue an auditor's report that includes my opinion about whether your financial statements are fairly presented, in all material respects, in conformity with GAAP; and report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements

I will conduct my audit in accordance with GAAS and will include tests of your accounting records and other procedures I consider necessary to enable me to express such opinions. As part of an audit in accordance with GAAS, I exercise professional judgment and maintain professional skepticism throughout the audit.

I will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. I will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. I will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because I will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by me, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, I will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to my attention. I will also inform the appropriate level of management of any violations of laws or governmental regulations that come to my attention, unless clearly inconsequential. My responsibility as an auditor is limited to the period covered by my audit and does not extend to any later periods for which I am not engaged as auditor.

I will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the government's ability to continue as a going concern for a reasonable period of time.

My procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected customers, creditors, and financial institutions. I will also request written representations from your attorneys as part of the engagement.

I may, from time to time and depending on the circumstances, use third-party service providers in serving your account. I may share confidential information about you with these service providers but remain committed to maintaining the confidentiality and security of your information. Accordingly, I maintain internal policies, procedures, and safeguards to protect the confidentiality of your personal information. In addition, I will secure confidentiality agreements with all service providers to maintain the confidentiality of your information and I will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that I am unable to secure an appropriate confidentiality agreement, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Furthermore, I will remain responsible for the work provided by any such third-party service providers.

My audit of the financial statements does not relieve you of your responsibilities.

Audit Procedures—Internal Control

I will obtain an understanding of the government and its environment, including internal control, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for my opinions. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation,

or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, I will express no such opinion. However, during the audit, I will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards.

I have identified the following significant risks of material misstatement as part of my audit planning:

- Management override of controls
- Improper revenue recognition

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I will perform tests of the City's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and I will not express such an opinion.

Responsibilities of Management for the Financial Statements

My audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America with the oversight of those charged with governance.

Management is responsible for making drafts of financial statements, all financial records, and related information available to me and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing me with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that I may request for the purpose of the audit; and (3) unrestricted access to persons within the government from whom I determine it necessary to obtain audit evidence. At the conclusion of my audit, I will require certain written representations from you about the financial statements and related matters.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to me in the management representation letter that the effects of any uncorrected misstatements aggregated by me during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing me about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing me of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws and regulations.

You are responsible for the preparation of the supplementary information in conformity with accounting principles generally accepted in the United States of America (GAAP). You agree to include my report on the supplementary information in any document that contains, and indicates that I have reported on, the supplementary information. You also agree to include the audited financial statements with any presentation of the supplementary information that includes my report thereon. Your responsibilities include acknowledging to me in the representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to me any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

Other Services

I will also assist in preparing the financial statements and related notes in conformity with generally accepted accounting principles in the United States of America based on information provided by you.

I will perform the services in accordance with applicable professional standards. The other services are limited to the financial statement services previously defined. I, in my sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

You agree to assume all management responsibilities for the financial statement preparation services and any other nonattest services I provide; oversee the services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

I understand that your employees will prepare all cash, accounts receivable, or other confirmations I request and will locate any documents selected by me for testing.

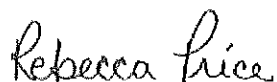

I expect to begin my audit as soon as possible and to issue my reports no later than December 31, 2024. My fee for these services will be \$13,000. In accordance with firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If I elect to terminate my services for nonpayment, the engagement will be deemed to have been completed upon written notification of termination, even if I have not completed my report. You will be obligated to compensate me for all time expended and to reimburse me for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, I will discuss it with you and arrive at a new fee estimate before I incur the additional costs.

Reporting

I will issue a written report upon completion of my audit of the City's financial statements. My report will be addressed to Management and City Council of the City of Irrigon. Circumstances may arise in which my report may differ from its expected form and content based on the results of my audit. Depending on the nature of these circumstances, it may be necessary for me to modify my opinions, add a separate section, or add an emphasis-of-matter or other-matter paragraph to my auditor's report, or if necessary, withdraw from this engagement. If my opinions are other than unmodified, I will discuss the reasons with you in advance. If, for any reason, I am unable to complete the audit or am unable to form or have not formed opinions, I may decline to express opinions or withdraw from this engagement

I appreciate the opportunity to be of service to the City of Irrigon and believe this letter accurately summarizes the significant terms of my engagement. If you have any questions, please let me know. If you agree with the terms of my engagement as described in this letter, please sign the enclosed copy and return it to me.

Very truly yours,

Rebecca Price, CPA

RESPONSE:

This letter correctly sets forth the understanding of the City of Irrigon.

MEMORANDUM

To: City Council
From: Aaron Palmquist, City Manager *AP*
Date: June 18, 2024
RE: Resolution 24-07 "2024 Small City Allotment (SCA) Grant – NE Main Avenue Sidewalk Project – Phase 1"
Item #4

Resolution 24-07 is an application to ODOT for the Small City Allotment Grant for \$250,000. This grant process is an annual program where small cities make requests for various transportation/pedestrian projects. This project is part of Irrigon's TSP and is designated for safety improvements.

This request will be to provide for the installation of sidewalks and ADA curbing along the south side of NE Main Avenue, beginning at the east side of the parking lot and continuing east toward AC Houghton. The contract is estimated to stop at NE Eighth Street but may go further if funds are available.

Staff recommends the adoption of Resolution 24-07 and the application of this SCA grant with ODOT.

RESOLUTION NO. 24-07

A RESOLUTION MAKING APPLICATION FOR THE 2023-24 SPECIAL CITY ALLOCATION (SCA) GRANT PROGRAM FOR NE MAIN AVE. SIDEWALK – PHASE 1

WHEREAS, Under the provisions of ORS 366.800 and 366.805, there has been withdrawn from state highway funds appropriated for allocation to the several cities of the State of Oregon the sum of Five Hundred Thousand and No/100 (\$2,500,000.00) Dollars, and in addition there has been withdrawn from monies available to the Department of Transportation from the State Highway Fund the sum of Five Hundred Thousand and No/100 (\$2,500,000.00) Dollars, and totaling Five Million and No/100 (\$5,000,000) Dollars; and

WHEREAS, As provided in ORS 366.805, said sums have been set up in a separate account to be administered by the Oregon Transportation Commission and to be allotted each year by said commission to be spent, within cities of 5,000 or fewer person, upon streets not a part of the state highway system that are inadequate for the capacity they serve, or are in condition detrimental to safety; and

WHEREAS, The City of Irrigon is an incorporated city of the State of Oregon with a population of less than 5,000 as provided by the latest official federal census. The following street segment (approximately 2,209 linear feet) of said city; SE Greenwood Street from SE Park Place to SE California Avenue and along SE Utah Ave between SE Division and S First Street; meets the conditions required in ORS 366.805; and

NOW, THEREFORE BE IT HEREBY RESOLVED BY THE COMMON COUNCIL OF THE CITY OF IRRIGON THAT THE FOLLOWING IS DECLARED AND RESOLVED:

1. That the aforementioned name street area is inadequate for safety for minor children traversing to and from school and is detrimental to all pedestrian safety and vehicular movements.
2. That said street in in need of need of a “safe zone” for pedestrians, mainly school children, and pedestrians for traversing along a busy city street.
3. That said project is not a part of the state highway system, and is under the jurisdiction and control of the city.
4. That said sections are slotted in our TSP as an area for immediate pedestrian safety improvements.
5. That the Oregon Transportation Commission hereby is respectfully requested to consider and declare said streets as qualified for reconstruction, repair, or other improvements out of funds allocated and made available by and through the said \$5,000,000 appropriation of revenues which is to be administered and spent by the Transportation Commission.
6. That the City of Irrigon does hereby offer to the Transportation Commission and

does hereby pledge complete cooperation and assistance to the end, that said City may share and participate in the use and benefit of said special fund and appropriation; and therefore, do designate special fund and appropriation; and therefore, do designate Aaron Palmquist, City Manager and Jerry Dycr, Public Works Director as the official representatives of the City in all negotiations resulting from this request.

PASSED BY THE COMMON COUNCIL AND SIGNED ON THIS 18th DAY OF June, 2024.

Date: June 18, 2024
RE: Paving SE. Fourth Street Quote Acceptance and Award Item #5

The City of Irrigon requested three (3) and received two (2) eligible quotes. American Rock – no submittal; Granite Construction - \$105,245.00; and Nelson Construction – \$91,000.00. All work to prep and pave the road will be completed by the contractor. Nelson Construction has years of experience and will provide all the leveling, compacting, etc. for any asphalt application.

This project has available funding through saved reserves from the user fee charges, no tax dollars to be used and funds are available. This roadway also is on the top council list of roads to pave and/or repair as the council approved in February 2023. All utilities are currently installed and ready for paving. Street will not be paved until after July 1, 2024, the new fiscal year.

Staff recommends acceptance of \$91,000.00 by Nelson Construction as the experience, warranty, and time availability warrants.

RE: Award Document for HB1530 Housing Infrastructure Project Administered by Business Oregon Item # 6

The City of Irrigon has been working with Business Oregon regarding the disbursement and tracking of State Legislator funds under HB1530 for infrastructure to assist housing in Molly 1 and NW Columbia areas. The funds have been awarded but this agreement is part of the process.

Our award for the infrastructure work is in the amount of \$1,705,000. City engineers, JUB, are working on the scoping, design, and bidding documents.

Staff recommends that the mayor be authorized to sign the agreement. The State DOJ desired to take another look at the language as there are several award documents across the state under HB1530.

775 Summer Street, NE, Suite 200
 Salem, Oregon 97301-1280

HOUSING INFRASTRUCTURE PROJECT CONTRACT INFORMATION – SB 1530

Entity Name:	City of Irrigon
Project Name:	Water & Sewer Infrastructure for Tumbleweed & Molly Developments
Funding Amount:	\$1,705,000
Funding Source:	SB 1530
Funding language from bill	For water and sewer infrastructure for the Tumbleweed development and the Molly development.
Project Location (physical address):	Along Eva Way (Molly 1 development) between NW Oregon and NW Washington Avenues and NW Columbia Lane (just west of Senior
Project Type (choose one):	Design/Construction

Project Type
<p>Please select the project type from the options below.</p>
<p><input checked="" type="checkbox"/> Infrastructure Project which will primarily serve the following area/ neighborhood: Tumbleweed and Molly 1 Housing Development Opportunities</p>
<p><input type="checkbox"/> Infrastructure Project which will primarily add general capacity to the existing system (i.e. will not be directed to a particular area/neighborhood)</p>
<p><input type="checkbox"/> Housing Project which will provide rehabilitation to existing unit(s) or construction of new dwelling unit(s)</p>
<p><input type="checkbox"/> Other: _____</p>
Project Information
<p>Background: Please provide the Project background including how Project directly or indirectly leads to additional housing production as well as the need and community benefit:</p>
<p>Currently housing is limited with infrastructure expenditures being a limiting factor as it is very expensive for developers to complete so housing can be achieved. These two (2) were chose as there is direct infrastructure that is required/needed to be able to connect housing (all levels) to the main system which is in the public ROW and is to be part of the city provided and maintained infrastructure system. On new developments a developer is required to provide/install such infrastructure, leading to housing build delays of the extreme infrastructure up-front costs. This funding of these two (2) areas directly leads to additional housing. Molly 1 is scheduled to have 20 single-family housing units with Tumbleweed projected up to 40 plus units, which may be cluster housing, single-family and apartment dwellings of multiple use (studio, single, double or triple units. This project benefits the specific communities but also has a direct bearing on have a joined/looped system for both water and sewer, creating a more connected and provided functioning infrastructure system.</p>
<p>Detailed Project Description / Scope of Work: Clearly describe the proposed Project work to be accomplished. Identify each Project element to be constructed/replaced/rehabilitated. Include address(es)/location(s) of Project. If the project includes multiple types of infrastructure, e.g. water, sewer, stormwater, wastewater, roads, etc., describe each part of the Project and how it supports development of housing.</p>

775 Summer Street, NE, Suite 200
Salem, Oregon 97301-1280

Project for both (locations noted above) Eva Way (Molly 1) and NW Columbia Lane (Tumbleweed) will include water and sewer installation with possible storm water underground swale installed as needed from design layout. Limited asphalt patching will occur if and where any saw-cutting and trenching takes place (NW Columbia Ave.). Water at both locations is to ensure that 10" at Tumbleweed and 8" at Molly 1 water infrastructure mains are currently not available is made available for development (housing built) to take place of an estimated 1,910 linear feet.. Sewer/Storm mainline at Molly 1 will consist of 2 to 3 manholes with an 8" 720 estimated linear feet mainline for specific connections to take place with and to a city mainline system. Sewer mainline installation at the NW Columbia Ave. will include 8" 1,170 linear feet sewer mainline with up to 3 manholes and a two-pump in ground lift station for moving approximately 100 gallons per minute (gpm) of waste material.

Did you contract with a licensed engineer to assist with any preliminary Project development? (i.e., design, environmental, cost estimate) Yes No

If yes, list name and contact information:

Construction of Housing Development (if applicable)	Fall 2025	Unknown
Other:	N/A	
Other:	N/A	

Permits and Regulatory Authorizations				
List the permits and regulatory authorizations needed for the Project to be ready to proceed with construction. Add additional rows as necessary:				
Permit or Regulatory Authorization	Review Agency	Description	Status	Actual or Expected Approval Date
BOR SF 299	BOR	Cross Irrig		Dec 2024
DEQ	DEQ	Engineering		Dec 2024

Upon Project completion, will the publicly owned water/wastewater infrastructure have the capacity to serve the desired additional housing units? Yes No

If no, describe additional work that will be needed:

N/A

775 Summer Street, NE, Suite 200
Salem, Oregon 97301-1280

Does the grant recipient (entity named in SB 1530) either own, or have a permanent easement or right of way, for all properties on which the improvements will take place?

Yes No

If no, please explain and provide a timeline for needed property acquisition:

N/A

Will the Infrastructure Project be owned by the grant recipient (entity named in SB 1530)?

Yes No

If no, describe that entity and their involvement in the Project.

N/A

Will the grant funds be provided to another entity (not named in SB1530) that will be responsible for Project implementation? Yes No

If yes, identify the other entity and the roles and responsibilities of the involved parties.

Note: an inter-governmental agreement or memorandum of understanding between involved parties will be requested prior to first disbursement.

N/A

775 Summer Street, NE, Suite 200
Salem, Oregon 97301-1280

Are there sites and developers awaiting Project completion to proceed with housing construction? Yes No

If yes, is acquisition of property/easements/right of way complete? Yes No

If yes, is the developer agreement drafted and/or executed? Yes No

If no, please provide a timeline of when housing construction will begin:

No property/easements/rights of way required for either area. Developers own their properties.

No agreement required or executed as their work is part of land use approval/development review(s) and the conceptual discussion and plan is workable and fits within Irrigon's Development Code.

Describe the type of housing (multifamily, single-family, etc.), number of housing units and any other information related to the proposed development, including area median income restrictions planned for the development if known.

It is proposed to have single-family, duplexes, apartments (studio, 1, 2, and 3 BDRM) and maybe some cluster housing if it fits on the parcel effectively to code. Total units reflect approximately 45 plus units.

RE: Irrigon Motto/Logo - Item #7

In 2019 the City of Irrigon established a 5-year strategic plan with a Mission, Vision, and Goals. However, no theme or motto was adopted during that process.

This month's agenda item is to explore a contest to assist the Mayor and Council in achieving a potential motto and new logo.

The finalization of a "Motto and some form of Branding" for Irrigon will continue to provide clarity and direction for Irrigon. Recently our neighbors, Hermiston and Boardman took such action. Most recently the City of Boardman put forward a contest to seek input from the public and schools. Because this year's school is almost out it would be recommended that the contest begin after the new school year begins. Attached is a flier for recommended edits as well as direction and thoughts from the council for staff action.

Staff welcomes comments to move this item toward finalization.

City of Boardman selects new logo and motto

The new Boardman Logo

The City of Boardman is excited to announce the winner of the City Motto Contest, Hadley Coleman. Her motto is "Small town, big dreams"; the Boardman community helped in the selection process. With the new motto, the city was able to create a new logo. The logo, and variations of it, will be visible around the Boardman City Council also revealed their new Council Mission Statement: "The Boardman City

Council believes responsible leadership is built on principles of transparency, communication, integrity, and the desire to serve our citizens with the shared goal towards the betterment of our community. We will actively listen, involve, and work together to foster growth and prosperity for the good of all residents. Through unified actions, we believe small towns can realize big dreams."

Pioneer Memorial Hospital Foundation Grants Scholarships to Local Youth

The Pioneer Memorial Hospital Foundation board met on May 13th to award student scholarships for working towards a career in the medical field.

The Board awarded an Earl and Hazel Wilson Scholarship for \$2500.00 to Emma Mueller. Emma is attending Notre Dame of Maryland University in her third year obtaining her nursing degree. Kevin Murray was also awarded an Earl and Hazel Wilson Scholarship for \$2500.00. Kevin is a second-year dental student at Oregon Health & Science University. Jessica Kempken was awarded a scholarship for 2000.00. She is a third-year pharmacy student at Oregon State/Oregon Health and Science University pursuing a Doctorate in Pharmacy along with a dual MBA degree. Rubi Juarez was awarded a scholarship for \$2000.00. She is attending Oregon State University in her first year pursuing

a Bachelor of Science in Biochemistry and Biophysics. Receiving scholarships in the amount of \$1000.00 for their first year of college are Zane Acock, Emeli Cardenas-Arellano, Morgan Cutsforth, Irelynn Kollman, Jazmin Meza, and Arianna Worden.

The Pioneer Memorial Hospital Foundation was formed in 1981 to promote good health through outstanding local medical care and to encourage and assist young people to enter careers in medicine through scholarships. It is non-profit and any donations given to aid in grants and scholarships are tax deductible. Please consider a donation to allow the Foundation to continue to help fund much-needed healthcare workers' education. For more information, please contact Linda LaRue, President, Tim Dickenson, Vice-President, or Cari Scrivner at carolines@mocohd.org.
